Run for Congo Women

raises funds to benefit Women for Women International's programs in the Democratic Republic of the Congo. Women for Women International supports women in war and post-war regions—like our sisters in the Democratic Republic of the Congo—with financial assistance, job skills training, rights awareness education, trauma counseling, and small business assistance so they can rebuild their lives. womenforwomen.org

OUR STATEMENT

Congolese lives matter.
The lives of Congolese women are significant. The lives of Congolese children are precious. They have waited far too long. They are worth our effort. We are running to help.
